

6th Plasma Science & Entrepreneurship Workshop November 14 & 15, 2019

Luxembourg Institute of Science and Technology (LIST)

Venue: Alvisse Parc-Hotel, Luxembourg City

Chair & Host: Patrick Choquet

Luxembourg Institute of Science and Technology (LIST)

Academic Chair: Thierry Belmonte

Université de Lorraine, CNRS-Institut Jean Lamour (CNRS)

**Science Entrepreneurship Chair & Programme Director:
Hugo de Haan**

Utrecht University School of Economics (U.S.E.); Vision Dynamics
Science & Entrepreneurship (U.S.E & VD S&E)

Utrecht University

Visit *www.visiondynamics.nl/workshops/6th-plasma-workshop for more information and registration!

Preliminary speakers:

Achim von Keudell, Agnes Granier, Angel Barranco, Antoine Rousseau, Damien Thiry, David Pai, Denis Dowling, Dirk Hegemann, Erik Wagenaars, Fabienne Poncin-Epaillard, Floran Peeters, Gary Eden, Götz B. Thorwarth, Guus Pemen, Hynek Biederman, Joanna Borek-Donten, Maryline Moreno, Michel Wertheimer, Nicolas Posseme, Pere Roca i Cabarrocas, Peter Awakowicz, Renate Förch, Sven Gerullis, Thierry Belmonte, Tobias Gergs, Tomáš Homola

Registration open now!

1 October – tentative programme on *website
15 October – abstracts upload closing

Including

- 2-day workshop
- 60+ scientific lectures
- Max 15 Table top demonstrations
- Evening dinner / Social event November 14

Key topics and themes

- Plasma medicine, medical and healthcare
- Plasma Surface modification & thin films
- Atmospheric pressure plasma @ Micro/Nano scale
- Atmospheric pressure plasma jet (APPJ)
- Nanoparticles generation and particlesurface treatment
- Surface diagnostics, energetics, analytics and –metrology
- Plasma parameterization, diagnostics, simulation
- Plasma for Emission Abatement & CO₂
- Plasma parameterization, diagnostics, simulation

Previous Plasma Science & Entrepreneurship workshops

- 2014 at Innophysics – Eindhoven, The Netherlands, chaired by Hugo de Haan
- 2015 at University Ghent, Belgium, chaired by Rino Morent
- 2016 at Braunschweig, Germany, chaired by Claus-Peter Klages
- 2017 at GREMI, CNRS / Université d'Orléans, France, chaired by Rémi Dussart
- 2018 at Empa, St. Gallen, Switzerland, chaired by Dirk Hegemann (Empa) & Philipp Rudolf von Rohr (ETH Zurich)
